additional pictures of the same individual without the mask. Through your affiant's investigation, including comparison with prior booking photos, it was revealed that the person in the profile picture and user photos on the "Kizzy Chapo" account is George Turner DOB: [REDACTED] 1991 SS#: [REDACTED] 2359, and LVMPD ID#5988621. The "Kizzy Chapo" account is believed to be related to a secondary Facebook account under the name "George Turner". The "George Turner" account has the same profile picture as the "Kizzy Chapo" account and the name provided as public information on the "George Turner" account is "Kiiz Chapo". The "George Turner" account also has pictures of the same individual without the mask.

The "Kizzy Chapo" account includes a social media post from July 6th, 2020 displaying photos of Nevada, New Jersey, Arizona, California, Florida, Texas and other state driver's licenses and identification cards. Within that post, the poster wrote:

depending on state you want. With regular shipping 2-3 weeks, rushed shipping is \$40 estimated arrival 12 days. Only accepting cash app, paypal, venmo payments."

Under that post are comments from other Facebook users inquiring if the post was real. "Kizzy Chapo" then posted a video of a Pennsylvania driver's license with George Turner's photo, but with the name of "Tyreik Shaamad Muhammad." The Pennsylvania driver's license had an ID number of [REDACTED] 0620. A records check was conducted on that driver's license which revealed that the ID number belongs to a Pennsylvania ID under the name of Natasha Reeves, a female born [REDACTED] 1981. Due to this, I knew the driver's license bearing George Turner's face but the name "Tyreik Shaamad Muhammad" was a forgery.

Additionally, under the same post on July 6th, 2020, "Kizzy Chapo" had a list of prices for the forged identification cards:

"New Jersey ID: \$160, Pennsylvania ID: -Old one \$120 -New one \$200, Delaware ID: \$160, Nevada ID: \$180, New York: \$200, California ID: -old under 21 \$220 -old over 21 \$220 -new under 21 \$240 -new over 21 \$240. With regular shipping 2-3 weeks. Rushed shipping is \$40, estimated arrival: 12 days."

The "Kizzy Chapo" profile page also includes a post stating: *"We make fake IDs for the following states:"* and then lists multiple the states. "Kizzy Chapo" has also posted photos stating the process for making and distributing the forged identification cards.

Based on the foregoing, your affiant believes that George Turner is working to produce fraudulent identification cards, in an effort to distribute the same using e-commerce and open source social media, specifically Facebook. A search warrant is being requested on the Facebook account "George Turner" and "Kizzy Chapo" in order to recover evidence related to the crimes of forgery and conspiracy to commit forgery. The information obtained through Facebook, Inc. profiles "Kizzy Chapo" and "George Turner" would help to identify the account user, the account user's co-conspirators and allow officers to retrieve evidence related to their conspiracy to commit forgery. Since Facebook is a social website, it might also identify other suspects and or witnesses to this crime. It's common for people to privately message each other their knowledge and involvement into such crimes.

As requested by the affiant, the State further requests that this Application and Order be sealed by the Court until such time as the Court directs otherwise, and Facebook, Inc. be ordered to delay any notification required under section 2703(b) of this title for ninety days. Providing prior notice to the subject of this investigation could seriously jeopardize the ongoing investigation, as such a disclosure would give the subscriber an opportunity to destroy evidence, change patterns of behavior, notify confederates, or flee from prosecution.
